Community ALIVE! Program

What is the **Community ALIVE** Program? It is a much-needed volunteer program that you, our Community, can participate in to help us restore native plants and maintain trails in our local parks and open spaces. Through our programs we all can **Act Locally In Volunteer Endeavors**.

Sign up your volunteer team for awards and prizes

Join in the following fun volunteer activities for your family, friends, co-workers, school or service club. We invite your group to participate in some of our volunteer projects between now and the end of March. The group with the most number of volunteer hours wins. All groups who sign up will be recognized at our special Earth Day Event at Garland Park in April 2008. Call our Volunteer Coordinator, 659-6065, or visit www.mprpd.org/volunteers to sign up your group and compete for awards and prizes.
