FISCAL IMPACT:

The total cost for the 4x4 Dump Truck, including tax, assembly and delivery is \$63,192.71. Funds for the purchase of this vehicle are allocated in the approved FY2019-2020 Community Facilities District (Services) Budget.

FUNDING SOURCE:

Account Code #6793 – Vehicle Acquisition

FUNDING BALANCE:

DISCUSSION:

The approved FY2019-2020 Budget included funding for replacement of the District's 4x4 Dump Truck. On February 5, 2020 the Board approved a Request for Bids (RFB) package for a new, replacement 4x4 Dump Truck, and authorized staff to solicit bids from local vendors for this item. Staff received two bid proposals. Each bid was publicly opened and viewed on February 21, 2020 at the MPRPD Administration office. After reviewing each bid, Salinas Valley Ford's bid proposal was the lowest and sufficiently met the specifications set forth in the 4x4 Dump Truck bid package. Staff is recommending the Board approve the Salinas Valley Ford bid proposal (**ATTACHMENT 1**). The declined bid proposal submitted by Val Strough's Cypress Coast Ford is available at the District office upon request.
