

**MONTEREY PENINSULA REGIONAL PARK DISTRICT  
BOARD OF DIRECTORS MEETING**

**DATE:** July 11, 2018  
**TO:** Board of Directors  
**FROM:** Caine Camarillo, Supervising Ranger  
**REVIEWED BY:** Rafael Payan, General Manager  
**SUBJECT:** Review and Acceptance of Bid from and Award Contract to Blaze Engineering, Inc. for Palo Corona Road Repairs Project

---

**RECOMMENDED ACTION**

Staff respectfully recommends the Board accept the bid from and award contract to Blaze Engineering, Inc. for the road slide repair project at Palo Corona Regional Park (ATTACHMENT 1).

**FISCAL IMPACT:**  
\$78,000

**FUNDING SOURCE:**  
To Be Determined

**FUNDING BALANCE:**  
To Be Determined

**DISCUSSION:**

The complexity and magnitude of the road slide sustained in the backcountry of Palo Corona Regional Park during last winter's storms required site plans and specs prepared by a licensed engineering firm. Whitson Engineers was chosen and worked with District staff to develop the plans and specs, project schedule, permit application, and supporting documentation. At the June 2018 meeting, the Board approved advertisement of the project bid form. Sealed bids were opened at the District's administrative office on June 29, 2018 at 2:00pm. The District received responsive bids from Blaze Engineering and Newton Construction Management. After reviewing each bid for responsiveness, staff recommends the Board accept the lowest bid from and award contract to Blaze Engineering, Inc. in the amount of \$78,000. This project represents the final repair necessary to achieve full recovery following the winter storms of January/February 2017. Staff will request a budget adjustment and add funds once we know the final cost, and those funds will eventually be reimbursed by CalOES.
