MPRPD

The Monterey Peninsula Regional Park District (MPRPD) is a public agency supported by local property taxes and state and federal grants. Its purpose is to acquire scenic and unique open space lands for public use and enjoyment.

MPRPD boundaries include the cities of Marina, Seaside, Sand City, Del Rey Oaks, Monterey, Pacific Grove, and Carmel and the unincorporated areas of Fort Ord, Pebble Beach, Carmel Valley, and Big Sur. MPRPD represents 130,000 residents and manages or helped to protect almost 14,000 acres.

THE POSITION

Key responsibilities and duties may include but are not limited to:

Field Operations

- Perform a variety of maintenance and construction duties relating to the development and upkeep of MPRPD lands, trees, trails, structures, and facilities.
- Maintain Irrigation systems and plants in designated areas.
- Repair and maintain small equipment used in such work, as well as general maintenance of vehicles.
- Adhere to procedures, methods, and techniques of construction tools and equipment operation.
- Perform related work, as required.

Administrative

- Perform a variety of administrative duties, such as general record keeping, maintaining fixed asset inventories, and maintaining various data on MPRPD lands and facilities.
- Obtain cost estimates, solicit bids, and order and purchase supplies.
- Maintain various logs, such as daily logs, maintenance, work, and/or project/production schedules, etc.
- Schedule, train, organize, supervise, and review prison inmate crews, volunteer, part-time, and/or

- temporary employees as assigned.
- Assist with special events, public outreach, and issuance of access permits.
- Assist administrative staff with review and implementation of site development and management plans, as needed.
- Perform special assignments, as required.
- Assist in the preparation and implementation of the Operations and Maintenance Division and Capital Projects annual budget and monitor expenditures.

Public Relations

- Provide visitor services and information, such as giving directions, answering phones, and responding to complaints.
- Maintain professional relations and communications with the public, volunteers, crews, supervisor, MPRPD staff, tenants, and other agencies.
- Service as liaison to citizen advisory groups, as needed.
- Assist with special events such as Annual Coastal Clean-up Day, Good Old Days, and California State Trails Day.

Patrol

- Open and close MPRPD parks.
- Patrol MPRPD lands to ensure safe public use of the lands and to resolve problems.
- Issue warnings and citations under appropriate laws or ordinances for non-compliance of park regulations and, if needed, appear in court; and utilize law enforcement agencies to achieve compliance.
- Enforce state and federal laws and MPRPD policies.
- Work weekends and holidays. Respond to 24-hour emergencies, such as calls for medical assistance, searches, and other requests for aid; complete medical/incident reports.
- Perform related duties and responsibilities as required.

The successful candidate will possess:

Any combination of education, training and work experience that provides the required knowledge and abilities. Typical qualifying education and experience might include:

- Three years experience as a Park Ranger or Park Maintenance Technician, or three years of recent experience in landscape/park facility

maintenance, construction, or a related field.

- Completion of two years of community college, with an Associate degree in Parks and Recreation, Natural Resources, Forestry, Construction Management or other related field.
- Possession and maintenance of a valid Class C California driver license is required.
- Possession of, or ability to obtain a Standard CPR card and a Standard First Aid card within 6 weeks of hire is required.
- Applicants must complete PC832 (Citation Training) within 6 weeks of hire.

Knowledge of:

- Botany, natural resources, and habitat management practices.
- General ecological principles and processes.
- Knowledge of pertinent federal, state and local codes and regulations regarding construction and operations.
- Basic budgeting, purchasing, and monitoring practices.
- Trade skills in plumbing, electrical, and carpentry per industry standards.
- Trail maintenance and construction standards and equipment.
- Parks and/or grounds maintenance methods and equipment.
- Americans with Disabilities Act (ADA) guidelines.

Ability to:

- Read and comprehend design specifications and plans for typical "park profession" site development, maintenance, and construction, especially accessways and natural habitat/landscape restoration.
- Read topographic maps (and use survey type instruments).
- Exercise good organizational and
