

**MONTEREY PENINSULA REGIONAL PARK DISTRICT  
STAFF REPORT**

**BOARD MEETING:** January 10, 2018

**SUBJECT:** California Wildlife Day (Save the Date)

**PRESENTER:** Jackie Nelson, Environmental Education Supervisor

**REPORT:** MPRPD, the Carmel River Watershed Conservancy and partnering organizations are hosting the inaugural California Wildlife Day Celebration at Garland Ranch Regional Park on Saturday, March 24, 2018 from 10 am to 2 pm, in recognition of the March 2017 Senate Bill annually recognizing California Wildlife Day (CWD) on the Spring Equinox (Attachment 1).

CWD promotes environmental protection and awareness to help Californians preserve the natural beauty and diversity of the state for future generations.

Plans for this family friendly event are in development and include the unveiling of new permanent exhibits at the GRRP visitor center; student poetry, art and scientific poster contests and displays for grades K12; arts and crafts activities hosted by the Santa Lucia Conservancy; interactive booths, special presentations, including a falconer with live birds; guided discovery walks; interactive booths; music; opening presentations; a Rumsien Blessing by Linda Yamane; and more.

**FISCAL IMPACT:** Minimal fiscal impact with amounts to be determined. Co-sponsors are setting aside funds for this event.

**FUNDING SOURCE:** Funds are allocated in the MPRPD adopted budget FY2017-2018: Special Events-6354.

**FUNDING BALANCE:** Current funding balance for account #6354 is \$948.79, as of December 29, 2017. \$1,000 is budgeted for this account.

**RECOMMENDATION:** The Board of Directors are respectfully invited to join this inaugural event. Please contact Jackie Nelson for more information or to RSVP.
