

**MONTEREY PENINSULA REGIONAL PARK DISTRICT
BOARD OF DIRECTORS MEETING**

DATE: June 13, 2018
TO: Board of Directors
FROM: Caine Camarillo, Supervising Ranger
REVIEWED BY: Rafael Payan, General Manager
SUBJECT: Approval of Request for Bids for Palo Corona Regional Park Road Repairs

RECOMMENDED ACTION

Staff respectfully recommends the Board approve the bid form for the road slide repair project at Palo Corona Regional Park in its substantial form (**ATTACHMENT 1**).

FISCAL IMPACT:

To Be Determined

FUNDING SOURCE:

To Be Determined

FUNDING BALANCE:

To Be Determined

DISCUSSION:

The complexity and magnitude of the road slide sustained in the backcountry of Palo Corona Regional Park during last winter's storms require site plans and specs prepared by a licensed engineering firm. Staff initiated an RFQ process in April 2018, which resulted in the creation of a shortlist of engineering firms determined to be highly qualified in the field of civil and geotechnical engineering, which included Whitson Engineering. Whitson developed the Project Schedule (**ATTACHMENT 2**), and plans and specs (**ATTACHMENT 3**) which have been incorporated into this project bid package that will be distributed to licensed engineering contractors locally and statewide. This project represents the final repair necessary to achieve full recovery following the winter storms of January/February 2017. Staff will request a budget adjustment and add funds once we know the cost, and those funds may be reimbursed by FEMA and Cal/OES. Board approval is critical to meet the FEMA large project completion deadline of October 1, 2018.
